

# Lesson Plan Rubric

Item:	Questions to Consider:
Learning Outcomes	Are the Learning Outcomes stated clearly? (Is it clear what the students should be able to do afterwards?) Do they correspond to State Standards?
Instructional Strategies	Are the Instructional Strategies appropriate for the Learning Objectives? Does the strategy employ an appropriate amount of inquiry for the subject and level of instruction?
Assessment	Is the Assessment Strategy appropriate for the learning outcomes?
Technology Used	Does the lesson plan make appropriate use of the available technologies?
Materials Needed	Are the materials needed available and appropriate? Is the amount of set-up time realistic?
Organization and Presentation	Is the Lesson Plan complete and organized in a professional fashion?
